

Dear Mr. Watts,

I am writing to thank you for your support and generosity in funding the Mississippi State Equine Association Endowed Scholarship, which I am so grateful to receive. I am in my senior year and cannot wait to graduate. I will be taking a gap year to gain more hands-on experience in veterinary medicine before beginning my journey of attending vet school, hopefully here at the MSU CVM.

During my years at MSU, I have learned many things and met many people. I have been a Resident Advisor for 3 years now, I have volunteered at the humane society since my freshman year, and I have been a part of many clubs on campus. I also love to explore the local areas and enjoy all that Starkville has to offer, my favorite things being the many festivals and farmers markets.

This scholarship has helped me achieve my goals and keep me motivated during my studies. I have had my ups and downs of course, but because of your contribution, it has been much easier to keep my head afloat. Thank you for helping me toward my future, and thank you for your confidence in my ability to realize my dreams.

With gratitude,

*Mackenzie Riddle*
